OBJECTIVE

Currently working in hospitality and community healthcare roles, seeking to grow into a full-time position in the healthcare support sector. Motivated to contribute to high-quality care environments while further developing my practical experience through ongoing placement and work in residential care facilities.

PERSONAL STATEMENT

I am a reliable and motivated team member with strong experience in customer service, hospitality, and community support work. I bring excellent communication skills, a positive attitude, and the ability to resolve issues quickly and professionally. My recent experience in aged-care and healthcare support has strengthened my commitment to providing compassionate and person-centred care.
